Darren,

You have been a very special friend to me ever since I got to know you. We've had lots of good times together and I hope we have many more. I hope you succeed in all that you do and reach all your goals. Good luck in the future and always remember to keep God first and in everything you do.

Class History

Twelve years ago, most of the senior class entered school at Geraldine High School. We have learned much about the world in those twelve years; much about ourselves; and a good bit about each other. Our class has had many good times; close ballgames, class trips and two terrific proms. We have also suffered hardships. The death of one of our most loved classmates, Donald Swearengin; the passing of one of our favorite band directors, Bill Hester; and the loss of a good vice-principal, Mr. Roberts.These tragedies have, if anything, brought us closer together. Now we move out into the world to seek our fortunes. Some will stay in Geraldine but a few will move as far off as half way across the country. However, far away from each other we are, we will always remember this school as a second home and think of each other as family. The Senior Class

"This Could Be Junior-

This Could Be The Night

Ask any girl in this lonely world
Ask any girl, she'll say make it last forever

I'm holding out my hand, I finally understand
So turn out the lights (oh yeah)
We'll make it last forever

BRIDGE:
I've been down the streets of desire
Sometimes I was so uninspired
You found what was locked up inside of me

CHORUS:
This could be the night,
The night to remember
We'll make it last forever
This could be the night
Oh, to end all nights

I've always been the one
Lovin' on the run
That's when you come undone, oh girl
Why do you wait for me

Out on the borderline, between the hurtin' lies
And the true emotions
That make it last forever

Happy Retirement!

Mrs. Hodgens

We bid a fond farewell to our retiring teachers, Mrs. Wilson and Mrs. Driskill and to an aide, Mrs. Hodgens. They will be greatly missed at Geraldine High. All have been a part of our school for a good many years and our school days will not be the same without them.

We wish for them many happy years of retirement!
